## SAVIN DIGITAL COPIERS

Savin systems are award-winning, network-ready digital input and output systems offering full color and black-and-white copying, scanning, faxing and network laser printing. Savin also offers wide format printers, copiers and scanners. Thanks to unmatched products, a nationwide poll of office equipment dealers voted Savin The Business Technology Association's "BLI: 2012 Pick Award" three times.

### FUNCTIONS

- › Printers
- › Copiers
- › Facsimile
- › Wide Format

Adding color to every print and copy job will grab readers' attention and more effectively communicate your company's messaging.

### HIGHLIGHTS & BENEFITS

- Complete copying, printing, scanning, fax
- Easy operation with touch-screen panel
- Finishing options including stapling, booklet finishing, hole punching, six position fold and ring-binding
- Advanced security features, like Windows Authentication and User Code programming
- High-speed throughput of 60 ppm for full-color, and 65 ppm for black and white.
